## VII. Special Reports

### PHA Senator, Megan Stopperan

- Student Senate Elections are live this week until Thursday, April 4th at 4:00 p.m.
  - Generally Student Senate Elections have only 5% of the student population vote at KU, this is low compared to other Big 12 schools, especially given Student Senate controls more than \$23 million student annually.
  - There are two coalitions running this year and their platforms are below:
    - Ad Astra Platforms

- Infrastructure and Safety
  - Student Life
  - Diversity, Equity, Inclusion, and Belonging
  - Sustainability
- OneKU Platforms
  - Recycling
  - Renovating the Recreation Center
  - Providing free/low cost transit to home football games in Fall 2024
- There are members of Panhellenic running under both coalitions so I suggest that you all encourage your members to educate themselves on each coalition and their platforms before voting.
- To vote, go to Rock Chalk Central and when you login you should be prompted to vote in “Student Senate Elections”
- No member of either campaign should be speaking to you or looking at your screen while you are voting, if this occurs, you should email [election@ku.edu](mailto:election@ku.edu)
- If you have any further questions about the logistics of voting or want me to connect you with PHA members of either coalition please feel free to reach out to me!
