- I am currently working on the 2022 Recruitment Budget with the Recruitment Team, so if anyone has any suggestions, please let me know!

Director of Health and Safety, *Blaine Van Hoosier*, kupharisk@gmail.com:

- Risk round table was last Thursday 3/3. Went very well!
 - Discussed social events, conduct/standards, sober monitors, transportation issues, etc.

- Social roundtable was a few weeks ago. Connect with your chapter leadership and make sure they have figured out who is submitting these forms! Still some confusion about event notification:
 - There is an event notification form through the SLF office:
 - [Event Notification Form Expectation](#)
 - Rock Chalk Central–Sorority and Fraternity Life Page–Forms–“SFL Event Notification Form”
 - If your chapter leadership team needs any clarification on this please feel free to reach out to me or Caitlyn!! I am more than happy to walk you through the process or let you know if your chapter has been submitting forms!
 - There is also a form I created for social chairs to notify me of events. This is so I can make sure there are SafeRides on days where multiple chapters may have an event.
 - [Social Event Notification-Spring 2022](#)
- Working on compiling a master list of health and safety resources! This link will be made available to all chapter members.
 - Will include things like hazing reporting, mental health resources, gender based violence, DEI, CARE Sisters, etc.
 - If there are resources your chapter wants included, reach out to me!
- Still working with DORs to compile recruitment education.
 - Topics like 301, Yik Yak and Greek Rank, mental health, body positivity, DEI, etc.
- Want to do a PHA wide bonding event the Sunday before recruitment. Allowing us to take a mental health break from work week and hopefully dismantle some of the competitive tendencies we fall into when recruitment starts. Brainstorming possible activities.

Director of Public Relations, Anna Avery, kuphapr@gmail.com:

- I am working on scheduling small group meetings with chapter PR chairs to review expectations, social media standards, as well as go over the Panhellenic brand vision for marketing values-based organizations
 - A big focus going into this coming recruitment will be combating cyberbullying and competitive “anonymous” posting on YikYak and GreekRank.
 - Alcohol and underage drinking on social media
 - Our brand vision: #PHALeadsOnward
- FFR22 Guidebook is getting off the ground!
- PHA Experience Day Videos
 - Still do not have many videos...
 - Please upload any and all videos and/or interviews to Google Drive!
- Chapter Highlights!
 - I am going to start reaching out to chapters regarding Service Spotlights, Chapter of the Month, and summer highlights. I want these to be really engaging beyond the stereotypical “chapter colors, flower, etc.”. Expect me to be asking for quotes from Council members as well as regular members as well!

- Scheduled training sessions: Sunday March 27th and April 24th from 12pm-4pm
 - I did my absolute best to schedule these before I knew of any conflicts with any chapter events
 - These have been scheduled for at least a month now, so please have some grace for your chapter's RC's if your chapter schedules any mandatory events/meetings
- REMINDER: once recruitment counselors are selected, they are NOT allowed to attend chapter recruitment workshops!
- Heads Up: RC's will start the disaffiliation process this semester

VIII. Old Business

- AGD Return Agreement
 - As outlined in the Individual Chapter Membership Growth Plan (1999, 2018, 2020) – BEST PRACTICE: The NPC member organization (in this case, Alpha Gamma Delta) and the College Panhellenic Council must have an annual discussion about the status of the re-establishment agreement. **The discussion should result in a mutual agreement to renew (continue under existing terms and timeline), edit (alter the terms and timeline), terminate (end the agreement) or implement (start the process of the NPC member organization's return to campus according to the re-establishment proposal and timeline) the re-establishment agreement.** The College Panhellenic Council will determine whether the annual discussion will take place in person or by electronic means.
 - a) Since we cannot renew or implement as the timeline has passed, and if you all do not agree with the edit of a Fall 2023 timeline that AGD proposed, we will need to find another mutually agreeable decision with Alpha Gamma Delta.

IX. New Business

-  EIDA Name Change Proposal
