 - Date: Tuesday, November 1st
 - Time: 7-8pm

- Location: LEEP2 2415 (Engineering building, 2nd floor)
- Who: Sophomores and Juniors who have recruited for their chapter for AT LEAST one FFR (FFR21 or FFR22)
- Topics: time commitments, expectations, eligibility, selection process, application, common myths/misconceptions, panel with recruitment counselors from FFR22
- Please encourage any of you eligible members to come! If there is any interest there or if you all think they would be a great fit for the role, they are HIGHLY RECOMMENDED to come. There is a lot of great information being shared at this event! If anyone who wants to go and is unable to go, have them send me an email and I can consider recording the session if they can't make it. My email: pharecruiteducation@gmail.com
- Link to RSVP: <https://forms.gle/eQ3eqSKqVR8TNsEY7>
- Note: Just to reiterate, this event is HIGHLY ENCOURAGED for anyone who is wanting to apply to be a recruitment counselor. I will be taking role and passing it along to my successor, so they can see who came v. who applied. Coming to this event is great in showing initiative and a desire to be a recruitment counselor so just keep that in mind when marketing this to your members. Applications will be opening and closing sooner too. Also keep in mind the 5% application policy - it is required your chapter have at least 5% of its members apply for the role so start "recruiting" members now to apply so your chapter can hit your 55%!
- I have had a few reach out to me about applying for the exec board, so please keep encouraging your members to apply! This is a great opportunity to gain leadership experience outside of one's chapter.
