**Vice President, Abby Khoury, [kuphavp@gmail.com](mailto:kuphavp@gmail.com):** ABSENT

- Sadie and I met with a stipend committee to evaluate PHA Exec Board stipends last Friday. There was a lot of great conversation and a proposal will be given in the new business section
- I am meeting with the Nominating Committee on Wednesday to go over their role, expectations, review applications, and select who will be interviewed for what

**Director of Health and Safety, Sophia Pascente, [kupharisk@gmail.com](mailto:kupharisk@gmail.com):**

- Starting on an educational partnership with KU Care Sisters where we will be evaluating gaps in our health and safety procedures as they relate to prominent topics within greeklife (ex: flaps, bid day parties, mixers, serenades, etc).
  - We will be working with the different standing committees of Panhellenic, and hopefully get the voices of everyday chapter members to help my successor build a comprehensive plan for bridging these gaps.
- All but two of the risk management meetings are done. I should be getting the last two completed this week. However, if I get no shows on the meetings this week, we may have to work something out through judicial affairs to ensure attendance.
  - Since this is in place of my roundtable this semester, they are mandatory and enforceable under our bylaws!
