VI. Executive Officer Reports

President, *Libby Frost*, phapresident.ku@gmail.com:

- Please do not email other councils with questions about their philanthropy events, social events, or anything about their organization! That's why the Panhellenic Executive Board has a Director of Interfraternal Relations. It's too overwhelming for other councils to be getting emails from every Panhellenic Chapter. For now, we also will **not** be contacting the other councils on campus until after the SFL Council Presidents have had our monthly meeting.
 - Please inform your board about this. If you want to communicate with other councils, email Caitlyn, Isabella, and I!
- If you (or anyone on your board/chapter member) are emailing another office about questions/presentations/etc., please add myself and Caitlyn to those emails.
- I have 2 applications for Accessibility Coordinator! We have 2 applications for the Director of Scholarship position!

- Reminder: all applications for PHA close on February 5th.
- We will be moving GA to 7:15 because there are a couple individuals who have a class that finishes at 6:50!
 -  GA meetings Spring '23
