 - Please make sure when you all are marketing this event to your chapters to include the RSVP link to make sure they know to RSVP if they are interested in coming. There will be a large group attending and I want to make sure we have enough space for everyone!
- A few notes regarding the session:
 - This session is intended for ELIGIBLE APPLICANTS - I've had some freshman RSVP which is fine, however the purpose is recruiting RCs for FFR23.
 - This session is HIGHLY ENCOURAGED for anyone with even the slightest interest in the role.
 - The goal of this session is to BOOST APPLICATIONS - if your chapter historically has not met the 5% application requirement, this is a great opportunity to start gaining interest in the role. Representation from all 11 chapters is SUPER IMPORTANT!
