  - Panhellenic Experience Day Video: I sent PR chairs a Google form for members to submit videos from chapter events from throughout the year as well as potential testimonies on why they went Greek and how their experience has been.
    - Please encourage members to participate in this! It will be a great project and super beneficial for PNM's if we can get lots of different content from all 11 chapters.
  - Month of the Scholar: Keep encouraging members to fill out the Google form on who inspires them!
  - I'm wanting to start up features on chapters' philanthropies; currently working with Sejal on getting something sent out to community service chairs.
    - Will tie this in with Chapter of the Month

  - Went very well! Just not as many PNMs that I had expected.
  - Thinking of hosting another event later on if needed.

- Sent a form to the COR/DOR officers to get their input on how to better COR in order to help chapters get their numbers up.
  - This form included:
    - Any helpful suggestions or feedback about COR to other chapters.
    - Include a few options that chapters can share with any helpful ideas or suggestions and any successful events and communication tips given.
    - Overall, the form gave me a better idea on what I can do to help chapters out with COR and to share the ideas.
    - I will be sharing the results of the email in the near future after getting responses.
- For my Continuous Open Recruitment Assistant application, I did not get any applicants but I am planning on reopening it towards the end of the year, close to the summer.
  - As of now, I don't really have much that my COR Assistant would really do, but would need more help towards FFR22.
