- New budget presentation dates!
  - Presentation: 4/21
  - Vote: 5/5
  - Logistics
    - For the presentation, I will put a Google Slides with a breakdown of all the changes and updates to the budget in my minutes that week, along with the actual new budget spreadsheet. I will go over the main points/big changes, but everything will be clearly outlined on the presentation. This way you all don't have to take notes and have a more detailed reasoning for everything.
    - For the voting (the budget is approved by one vote to approve/deny the entire thing and has to be approved by a 2/3 vote), we will do voting through a Google form that will be released before 5/5.

- If you someone from your chapter (President, VP Finance, Advisor, etc.) has absolutely ANY questions, please feel free to contact me!! I'm happy to help explain things/give more reasoning if needed!
